Executive Search

Who we are

As part of Harper Anderton Associates, Harper Select is our bespoke executive recruitment service, exclusively for board level and senior management roles.

How we can help

Your success is our success, so we're proud to say that we only represent companies that we truly believe in.

It's our job to make the whole process seamless and smooth for you. To find you those elusive dream candidates that you know are out there somewhere, get them to the table and into your organisation.

Covering

Director level and senior manager roles across...

**NPD | Commercial | HR | Operations | Supply chain | Engineering
Technical | Sales | Marketing**

We work with FTSE 250, PE backed and SME food and beverage businesses, in the UK and across Europe.

How we do it

When we work with you, we see ourselves as an extension of your business, and it's our job to make the whole process seamless for you. We'll find you those elusive dream candidates, get them to the table and into your organisation. Even the ones you think are unavailable.
